

EARTHQUAKE RELIEF FOR HAITI

If you would like to contribute towards the earthquake relief efforts in Haiti please advise the Front Desk Receptionist:

- 1. What amount you would like to donate. This will be added to your suite account.**
- 2. If you would prefer to donate to the Turks & Caicos Islands Red Cross or to The Salvation Army of the Turks & Caicos islands? These charities have earthquake relief efforts underway in cooperation with their counterparts in Haiti. Ocean Club Resorts will pay these charities on your behalf.**

Thank you for helping Haiti!
