Event Locations

Opus Restaurant

Consisting of over 4000 square feet, the restaurant lends itself to any occasion, whether cocktail parties for 300 or formal dinners for 150.

A custom designed stage creates the perfect place under the stars for award presentations, speeches or a full band to let your guests dance the night away.

Opus Bar

Our candle lit mahogany bar overlooks the outside restaurant and is great for small gatherings of friends and colleges either before or after the 'main event', or as an evening in itself.

Outside Lounge

A recent addition under the trees, the lounge sits on an elevated deck to maximize cool island breezes.

For parties up to 35 people, it is the perfect spot to unwind.

Its elevated level also makes it ideal for Head Tables in wedding parties.

Opus Private Dining

Fully air-conditioned, our indoor dining room is available for up to thirty guests. Offering the privacy needed for corporate events, or the intimacy required for dinner with close friends, the room is yours to arrange as you wish.
